For the Cambridge Springs football team this year's season did not prove to be a successful one; nevertheless, to the fans the games were exciting and thrilling. Had the scores been based on fair play and good sportsmanship, our team would have carried off the trophy.

Unfortunately, many key players sustained injuries during the games. Although the injuries were numerous and serious, the boys kept up their courage and fought with the will to win.

Our coaches realize the value of honest and fair playing and the acceptance of defeat with a triumphant attitude. They instilled this meaning of good sportsmanship into our team. We, the student body, are proud of our team for this loyal school spirit.

The basketball 'experts' said it couldn't be done; they said that Cambridge could not win even the Crawford County League Championship. But Coach Hobson and his Blue Devils were not going to be beaten by a few self-styled experts. They determined to prove themselves on the basketball court by winning---and win they did!

The hustling Devils first took the County League Championship with a perfect record in league play. In play-off competition they put together the combination of a dazzling offense and an impenetrable defense to clinch the District 10 Championship by downing Rocky Grove and Reynolds.

The Inter-District trophy was added to our trophy case as Cambridge Springs downed Union Joint, the District 9 Champion. The Devils next met highly-rated Northern Cambria in the Western Regional finals. Coming alive in the second half, Cambridge gave Northern Cambria a real scare; however, the rally fell just short of victory.

Throughout the long 1964-1965 basketball season our Cambridge Springs Blue Devils exhibited determination, enthusiasm, and good sportsmanship. Not only the starting players but also the reserves are to be highly commended for their preserverance and dedication.

Coach Hobson's knowledge and skill played an essential role in the team's success. His leadership and guidance proved to be invaluable as the Devils mapped their victory course. Above all, he encouraged teamwork and instilled the qualities of good sportsmanship and dependability in his players.

Mention must be made of the 'behind-the-scenes' participants. Manager, trainer, scorekeeper, statisticians: all of these people helped as the Devils fought on to victory.

Recognition is due Mrs. Slosky and the cheerleaders, who did such a fine job of building school spirit. The student body also is to be commended for its good conduct and for its enthusiastic support of the team.

It is with great pride that we, the students of Cambridge Springs Joint High School, salute the 1965 basketball Blue Devils---true champions.
